## Club continues in right direction

by ROSS LEIPOLD  
President

IT'S important to firstly acknowledge the players of the club and the coaching staff who have been instrumental in the marked improvement in the overall on field performance – none more so than our group of first grade players.

One could have easily seen the same old same old happening again after round 6, only winning one game. A real change in attitude and belief saw the boys win the last four games, two being outright which enabled us to creep into the top six with one round to play.

This was due to the outstanding bowling performance by Luis Reece and the strong belief and confidence the whole playing group realised. They really rallied as a team and their confidence in each others abilities grew stronger and stronger. Head coach Brendan Bracewell's never say day attitude and sheer hatred of losing was really starting to rub off on the team. The belief was there, they were there to win and win only, the attitude had changed.

The teams performance did not wain after the departure back to England by Luis, missing the last game and more importantly the Elimination Final. A strong win against University to secure a finals birth and then an even stronger

win against top side Joondalup and Willetton to advance to the ultimate game of the season, the grand final.

What an experience for our players, playing on the WACA and creating club history by competing in the club's first ever first grade grand final.

The fairytale was not to be with Joondalup proving too strong. Our boys have done the club proud and should be equally proud of themselves for what has been a break out season for them. Well done guys, more hard work to go one step further next season.

Our second grade struggled along with our fourth grade but some fine individual performances along the way and given the inexperience of these teams, improvement will eventually come with hard work.

Our third grade just missed out on finals finishing seventh under the guidance of Andrew Panetta with the latter stages of the season seeing Josh Bailey taking the reigns.

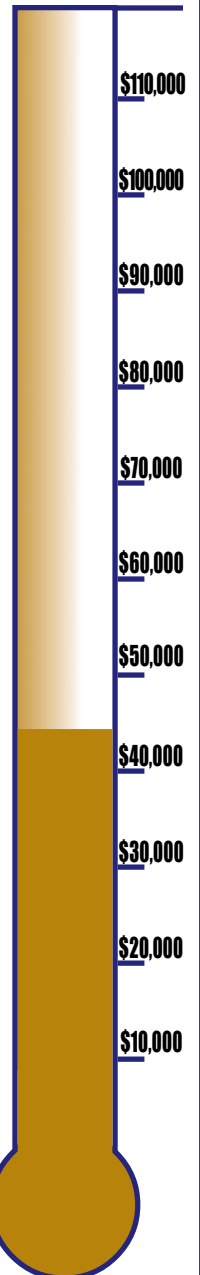

A top ten finish in the Club Championship is our best ever and one which we are looking forward to further improve on next season.

The club's board continued motivation to further strengthen all areas of the club will see the club continue along its path to sustained success both on and off the field. The buy in by all concerned is fantastic, let's keep it going.

On to our strong, hard working board. Massive amounts of hours are put in all year round by this fantastic group of people. Secretary Michelle Bailey, Treasurer Samantha Parkyn, Directors Marie James-Buckley, Paul Cullinane, Mark Adams, Bruce Bussanich and Len Hill. Great job troops, much appreciated.

## Message from Luis

WELL apart from the first game when we beat Willetton, Gosnells got off to a very slow start being 15th 2 games before Christmas, so to be 6th at the end of the year and play finals is an incredible season.

To make the grand final has been a direct result of how hard all the players and coaches have worked to achieve.

There's so many talented players at the club and this year they have made huge strides to reaching this potential.

The club has a fantastic social side and made me feel welcome from day one, getting me involved and making me feel part of what is a sensational club.

This has given me one of the best experiences and an amazing five months. As a result I've made some amazing friends and can't thank each and every one of them enough. When Georgina came across the players wives and girlfriends were amazing how they made her feel part of the club.

I will always have fond memories of Gosnells Cricket Club, whether the opportunity arises to come play for them again or not.

## Club continues in right direction

...from page 1.

Our social committee has also been a group that has worked tirelessly on fundraising events throughout the year.

What an amazing job by Rachel Leipold, Sam Parkyn, Michelle Bailey, Sharon Whitehead, Brennan Bachman and our Jag the Joker guru Cam Heron.

An amazing amount of money has been raised, much directed towards the indoor centre and largely due to the efforts of these people.

Thanks to our players and members for the continued support of the functions throughout the season.

One unique part of our club is that we are the only club that serves meals for our players and members every Saturday night. Marie James-Buckley continues to provide sensational meals and it would be remiss of me if I didn't mention Brett Hale, who filled in for Marie when she was unavailable. His steak sandwiches were a real hit.

This year saw Susie Wiltshire and hubby Bob take on the role of preparing lunches and afternoon teas with the good news being she is already lining up for next season much to Bob's delight. Great stuff Susie and Bob and thanks heaps. To all our volunteer kitchen helpers and bar staff we thank you for all your time.

To all our junior coaches, team managers, scorers, morning tea ladies, a big thank you for devoting so much time to the Gosnells Cricket Club. Your efforts do not go unnoticed and we are truly grateful and it was great to see the club win the WACA's Spirit of Junior Cricket award.

A mixed bag on the field from our junior boys

with our 13s the most successful of the four teams. Mark Bailey and Bruce Bussanich have done a fantastic job with this group of boys. Our 17s lost some close ones which could have seen them finish much higher whilst our 15s and 14s had a disappointing season but did manage to finish off with great wins in the last game.

Some exciting times ahead with planning already well under way for next season. Much to look forward to with the indoor training facility in full swing. The prospect of quality players returning to the club and an air excitement and positiveness about the club.

As president, I receive many positive remarks about the Gosnells Cricket Club from within the WACA and from other clubs. These remarks are due to the incredible amount of fantastic people we have involved at the club. From the board to our players, their partners and parents and the amazing group of volunteers. You all deserve every success that comes your way.

Until next season, enjoy the off season and be safe and looking forward to seeing you all back keen as ever to work towards bringing success to this great club.

**Luis Reece – quality person and a fantastic season.**

# Turnaround is just reward for hard work

by PAUL CULLINANE  
Director of Senior Cricket

WHAT a fantastic achievement by our first grade team by reaching the club's first ever first grade grand final.

An amazing turnaround after our first six games to eventually reach the pinnacle of the season at the WACA. Whilst Joondalup proved too strong for us, we did the club proud by their season's achievements.

This has topped a tremendous year for the Club, where the playing group have now gained sufficient experience and games played in the competition to show the opposing Club's that Gosnells Cricket Club are now a force.

The First Grade season hit full swing after the mid year break. The team was clearly one of the better performed sides in the second half of the year, losing only once to Melville.

Impressive, consecutive outright victories against Bayswater Morley and Subiaco Floreat gave the team tremendous momentum coming into the business end of the year, and in fact, the boys almost pulled off what would have been a WACA District first if they completed a third outright in a row against Wanneroo.

The season finished with the ones sitting in sixth position with two outrights and six first innings wins.

There have been some outstanding performers in the First Grade group, led by Luis Reece. Luis scored 422 runs at 32.46 to win the batting aggregate. Darcy Short finished with a real flurry with 475 runs at 31.67 and Alastair Bivens 416 runs at 29.71.

**Luis Reece leads the team off after his record-breaking wicket haul of 14 for the match.**

Of course Darcy also smashed a blistering 109 against Joondalup in the Elimination Final. Luis led the way with the ball as well, taking a new Club Record 56 wickets for the season at 12.04.

He also broke the most wickets in an innings by taking 14/108 against Wanneroo. Matt Hanna again had a very productive year with 35 wickets at 15.91, and Brett Bayley his best year at the Club with 28 wickets at 19.82.

Another record breaker was Ryan James-Buckley who completed 40 dismissals for the year as the Wicket Keeper.

**Simon Acomb presented with his baggy blue by president Ross Leipold.**

A pleasing aspect of the year was that we had 7 players debut in the Baggy Blue.

Congratulations to Luis Reece, David Roberts, Cameron Heron, Brandon Jacobs, Daniel Payne, Craig Fulford and Simon Acomb.

The Second Grade had a tough year, and were hindered by a long term injury to their skipper Danny Neretlis. They did manage a great outright against Wanneroo, and 2 other wins for the year to finish 14<sup>th</sup>. The Batting was led by Craig Fulford with 405 runs at 33.75 (and 1 century), closely followed by Daniel Payne 315 runs at 26.25 and Jordan Armstrong 354 runs at 19.67. Cameron Heron has had another outstanding season with the ball that saw him earn First Grade selection this year. His 29 wickets at 17.97 good enough to get him the Bowling Award. Rao Zafer 16 wickets at 24.44 and Ben Horsman 12 wickets at 30.83 good support.

The Third Grade again had a terrific season, and for the second year in a row, missed finals by the narrowest of margins. This year their 1 win outright, 8 first innings wins and a draw saw them finish 7<sup>th</sup>, 2 points from finals. Craig Jensen returned in the second part of the year to give the team real momentum with his 241 runs at 48.20 (and 1 century). Alistair Turner with 225 runs at 37.50 and Sidney Menezes 223 runs at 22.30 also good contributors. Jarrad King led the way with the ball with 24 wickets at 18.33, and he was ably assisted by Liam O'Neill 15 wickets at 14 and Simon Acomb 13 wickets at 9.08.

The Fourth Grade had a fighting year, and although they did not finish in the finals, showed plenty of spirit and fight. They had 4 wins and a draw to finish 14<sup>th</sup>. Shawn Southam had a great year with 274 runs at 54.80, and Brennan Bachman 306 runs at 23.54 and Tom Newman 212 runs at 21.20 solid contributors. The bowling was all English import James Mead, with 28 wickets at 18. Brennan Bachman took 14 at 19.21 and Simon Acomb 13 at 18.77.

As this is the year's last Cover Drive, I would like to thank the Coaching Group and Selection Committee for an outstanding year. I am happy to say that Brendan Bracewell, Danny Neretlis, Andrew Panetta, Wayne Clark and Peter Agostino have committed to Coaching again next year. The Selectors, Brendan Bracewell, Danny Neretlis, Ray Horsman, Andrew Panetta and I will also continue.

A Thanks also to this year's Captain's. Darcy Short has obviously done a magnificent job to lead his side deep into the finals. Danny Neretlis came back late, but in his absence Alastair Turner and Ben Horsman did a fine job. Andrew Panetta again led the three's to the brink of final's, and in his absence through injury, Josh Bailey took the reigns with great effect. Brennan Bachman in the fours showed great leadership skills, and he bought to the group a fierce desire to compete.

Congratulations to Michael Bailey and Darcy Short who led the WA Indigenous boys to back to back titles, Michael also captained both years, and to Michael for his Scorchers contract. To the three boys, Darcy, Michael and Alistair Bivens who also represented the WA Indigenous team in Darwin at the start of the year. To Luis Reece who took out the Hawk Medal, congratulations. And to all the winners of the awards at our presentation dinner, well done.

Whatever the final outcome of this year, this Club, it's players and Coaches, and it's members can now build on some hard work that has been going on for a few seasons now. There is a belief, and I expect, that there will be more sides from Gosnells participating in finals next year. We cannot however accept this year as a benchmark. We must stay together as a group and work harder still to set higher goals, and sustained long term success.

**The club song was sung loud and strong on many occasions this season.**

# Our journey to the WACA

WHAT an amazing journey the 2014/15 season provided for our players in the first grade. Languishing in 14th spot on the ladder after six rounds to climb into the six after a strong win against last years premiers Wanneroo in round 14, could well be a first in the WACA's history.

With just under half the season gone and firmly entrenched near the bottom, the massive task began in round seven with a comprehensive win over Rockingham Mandurah who boasted state reps Sam Whiteman and Craig Simmons. Losing just one game from this point was a dominant performance in the states premier cricket competition.

The Grand Final presented the biggest challenge of all with competition powerhouse Joondalup proving to be the benchmark all season and too strong for our boys.

We continued throughout the day working hard in the field to see a number of catches just fall out of reach of our fieldsmen and our bowlers finding it difficult to hit their areas on a very good WACA batting wicket. Their was little margin for error as two very classy young batsmen in Inglis and Hinchcliffe took full advantage of anything that strayed.

Posting 6/557 off their 112 overs left our boys with a massive total to chase off just 85 overs. Needing just under a run a ball, proved way out of reach. Matthew Leipold was the best of the Hawks batsmen finishing the innings on 58 not out.

Great effort on reaching the grand final and it is assured that the experience is one that will stand our group in good stead for the coming seasons but a season that has instilled belief in the ability of our players to match it with the best in the competition.

Special mention to the hordes of Gosnells supporters that were there cheering our boys on. It was fantastic to see some ny dressed in the Gossy colours.

## Life Membership well deserved

ANDREW Panetta was recruited from the Kelmscott Cricket Club in 1987 and was an inaugural player for the club.

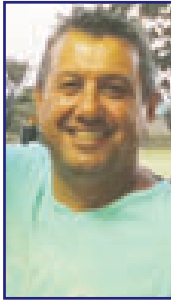

He started his WACA District Cricket career as a baby faced 17 year old in second grade and was promoted to first grade where he played four games as the 20th player to earn the Baggy Blue in that season.

Whilst serving the club as a valuable player, he has assumed the role of captain, was club coach in 2002/03, has won the Nella Marsh Award, the Senior Cricketer of the Year, U/19 Cricketer of the Year, was director of grounds in 2004 to 2006 and has been a fantastic servant of the club.

Andrew is currently the Third Grade captain and Development Coach and also supports the club with his and wife Amanda's business Grays Concrete as a Gold Sponsor.

Life Membership is an honour that is not easily obtained at the Gosnells Cricket Club, it's earned by many hours of dedicated service. Andrew is a very worthy recipient of Life Membership of the Gosnells Cricket Club.

Congratulations Panetts, well deserved.

**Service to the club 1987-2006 and 2013-2015**

# Luis just short of Olly Cooley Medal victory

LUIS Reece nearly capped off a sensational summer falling just three votes short of taking out the WACA's best player in the first grade competition.

The Olly Cooley Medal is voted on a 3-2-1 basis by the umpires after each game for the best players.

Scarborough's Justin Coetzee and Luis were level pegging going into the last round of fixtures with Coetzee having a great game and picking up the maximum three votes to finish on 22 votes.

Unfortunately Luis had to return to England for Lancashire's pre season tour and was unable to play in the last fixture. This not being the case, the form that he was in could well have seen him poll maximum points in the last game.

Regardless of this, his season was one that was instrumental in helping the club to its first finals appearance for 21 years which ultimately saw the boys advance to the grand final on the back of strong wins in the elimination and qualifying finals.

Luis completed his memorable season by taking out the John Marsh Memorial Trophy for the Senior Cricketer of the Year, the Gil McDonald Award for One Day Cricketer of

Year, made 422 runs at 32.46, took 56 wickets at 12.04, made 113 against Scarborough in round six, broke the club record for most wickets in a match taking 14/108 against Wanneroo in round 14, 7/47 against Subiaco Floreat and 7/29 against Bayswater Morley.

If all goes to plan, the club is hoping for a Luis Reece return next season and hope that Lancashire see the talent within and provide Luis with the opportunities he deserves.

## Indoor facility gathers momentum

WITH regular meetings, the Indoor Training Facility is staying on a strong course. Architect Mike Collett has completed the final drawings and project design brief with the fund raising being on target. Bruce Bussanich and Michelle Bailey along with Mike continue to drive the project.

Meetings with local MP Ken Wyatt and the City of Gosnells' Robbie Watkins ensures all requirements are on track.

The junior windup saw Tyler McMyles and Brodie Foster present club president Ross Leipold (pictured) with money totalling in excess of \$600 from the efforts of the boys and Geoff and Kellie Foster. They held a sausage sizzle every Friday night the club hosted the WACA's Twenty 20 blast for local juniors.

Thanks also to the efforts of all players and members for their support of the fund raising events we have held during the season. Thanks to Rachel Leipold, Sam Parkyn, Michelle Bailey

and the social committee for their fantastic efforts with the quiz night which raised in excess of \$7,000.

Our tally sits around \$45,000 thanks to all those that have donated so far.

David Bishop \$22,000 and Darryl Kipping \$5,500 have given the tally a massive boost.

**Be a part of this fantastic project and pledge your support through goods and services, sponsorship or buy a brick for \$100. All support acknowledged on the appreciation board inside the centre.**

Dean, Luis, Jack, Bruce and Jenny.

## Bussanich's take Luis on board

WHEN the club was looking for a host family for English import Luis Reece, Bruce and Jenny Bussanich were only too willing to fill that void. Luis spent his five months there, often eating them out of house and home, but certainly appreciated their hospitality.

The club extends their thanks to Bruce, Jenny, Jack and Dean for looking after Luis.

# Our girls just want to have fun

FOR the very first time the WAGS of the club took on the challenge of playing cricket. Figuring it couldn't be as hard as the boys make out!

Naming ourselves the Gossy Birds, training each thursday night (mainly at the bar), we were set for the challenge that lay ahead.

Your very own Gossy Birds are Rachel Leipold, Danielle Dolphin, Hannah Spiers, Samantha Parkyn, Hailee Norwood, Courtney Petricevich, Jessica Kristensen and Gabby Wright.

We participated in the WACA Twilight 6ers competition which was held at Perth Cricket Club each friday at 6pm for a period of 6 weeks beginning on the 23rd Jan 2015.

Our first game brought the crowds down to Fletcher Park, plenty of cheering, lots of laughing but unfortunately the Gossy Birds couldn't bring the win home for their supporters. Starting with a format of 6 overs per side, quickly changed to 12 overs per side.

We went on to win 1 game out of the 7, but hey it was all about the fun! The batting average goes to Hailee with an average of 18.4 runs per game (92).

A BIG thanks goes out to Jacob Snadden for organizing the competition, his perth team mates who were umpires (although their scoring abilities is questionable) and to Perth Cricket Club for hosting the event each week.

We finished off with a BBQ at the ground thanks to the boys, Matt and Danger for organising and doing the cooking.

Keep an eye out for the Gossy Birds next season when they return.

L-R: Hayley Norwood, Courtney Petricevich, Hannah Spiers, Danielle Dolphin, Gabby Wright, Jake "the Stud" Snadden, Sam Parkyn, Norbit the exercise bike, Jessica Kristensen and Rachel Leipold

# Plenty of talent coming through ranks

by **MARK ADAMS**  
Director of Junior Cricket

THE season culminated in the end of season presentation night where players were acknowledged for their outstanding performances over the course of the season.

This was well attended by players, coaches and parents with over 150 in attendance. Thanks to Marie for her once again outstanding effort in catering for this event. Thanks to all those that assisted her in the kitchen along with the sensational parent support throughout the season with the preparation of the weekly morning teas.

As this is the last cover drive for this season, I would like to thank Ross and the other board members for their support over the last two seasons.

I would like to thank the junior subcommittee for all the work done in the back ground setting up the community carnival and this season's selection trials. A special thanks to Bruce Bussanich who I loosely called my assistant, who was very helpful with advise and guidance through the season.

I would also like to thank our coaches for all the work they done with the squads. Last of all I would like to thank the players and their parents for all their hard work that they have done over the seasons.

A special mention to Luis Reece for his outstanding contribution in assisting our junior coaches every Wednesday night.

I look forward to seeing some of the juniors reach their goals of playing for Gosnells first grade in coming seasons.

**OUTSTANDING:** Luis Reece was added to the junior coaching structure to assist with specialist coaching.

The WACA Junior Cricket Awards saw Gosnells take out the Spirit Of Cricket Award. The award is presented to the club that displays a good culture on the field. This is a representation of the good behaviour and the excellent way our boys played the game. Well done to all Gosnells Juniors, you should take pride in this award.

## Season in brief

The junior club finished the season on a high with all grades having outstanding victories in the final qualifying round.

Unfortunately no junior teams made the finals but some fine team and individual performances occurred during the season. Here is a very brief on how each team performed.

### Under 17s

At the beginning of the season we looked at the u17s squad and said we could play finals with this group of young men.

We have had pressure on for places in the side each game and the squad has been very tight knit all season. They displayed a never give up attitude and winning spirit all season long.

Thanks to coaches Simon Acomb, Scott McNamee, Ray Horsman and team manager Cassie McGann. I believe that the u17s would not have been as successful if it had not been for the tireless work the coaching group.

At the end of each season we have a group of u17s that graduate to senior cricket and I believe that this group of players is one of the best going in to seniors. Next season they will put a lot of pressure on the seniors for places.

I look forward to watching next year's u17s play as all the experience they have gained over this season will put them in good stead for the coming season.

### U15s

The u15s have played some very good cricket this season and been in the hunt for some good wins. The bowling side of the team have led the way with some support by the batting at times.

The u15s have improved over the season with the ball and bat and in the field. Thanks to coaches Dave Roberts and Peter McGilvray, and maybe a mention for their team manager (Mark Adams).

They have worked with the squad to get them up to district standard. The u15s will be moving

up into u17s next season and with the improvement that they have made, they will put some pressure on the second year u17s.

### U14s

The u14s have had a good season with more game time on turf that has seen them steadily improve over the season with some good performances with both bat and ball.

Coaches Brett Hale, Tim Hale and team manager Mike Bormolini have worked hard to improve their skills and make this group into a very enthusiastic team that play a very good brand of cricket.

The move up into u15s next season will allow this squad the time to develop into a very good cricket team. I look forward to next season and seeing them play.

### U13s

The u13s have improved so much over this season from the group of boys we selected at the end of last season. I have had the pleasure of watching them on a few occasions this season and seen a big improvement.

Coaches Bruce Bussanich, Mark Bailey and team manager Kellie Foster have worked well to give this group improved skills to go on next season and be able to win more games than they lose.

The u13s are a hard working and fun bunch of boys that work hard on their games at training. I believe that u13s is a very important age group because there is so much development in each of the players that set the guidelines for the rest of time they play district cricket. They just missed out on playing finals this season which is a great achievement.

Good luck in what ever you do in the off season and looking forward to seeing you all again next season.

## Frustration for vets

SEASON 2014/15 was a very frustrating season for the two Gosnells veterans teams.

Washouts and forfeits marred the season throughout but some games did manage to get under way.

It culminated in Wanneroo forfeiting to Gossy Blue in the last fixture so some of the blue boys joined with our Gold and Claremont to get a game in.

Bob Wiltshire was the pick of the bunch taking one wicket and then having to retire on 19, his top score for the season. Well done Bobby, great season.

Next season will be touch and go as to whether Gosnells fields one or two teams. Certainly early signs are that the two teams will continue.

See you all next season.

### VALE

## John Turner

FATHER of Gosnells Cricket Club player Alistair Turner and his brother Andrew who also played for the club, passed away last week from illness.

Acknowledging the work that John did in ensuring the Maddington Junior Cricket Club stayed in existence whilst both Alistair and Andrew were playing was significant and something that both the boys should be very proud of.

He was the president, secretary, treasurer, coach of three sides and just about anything else that need the club to operate.

Many would have walked away but not John, such was his passion for the game and his love for the Maddington club, he could not stand by and see it disappear.

I know John was a very proud father and his commitment to Alastair and Andrew and everything they loved doing was paramount to him. He ensured they were given every opportunity to play the game they love so much, and to play it to the best of their ability.

Rest in peace John, you can rest knowing you have achieved so much but sadly taken too soon.

## Email sent to major sponsor David Bishop of Touchstone Farm

“Thank you so much for your sponsorship of the Gosnells Cricket Club.

I am Jane Hambley’s aunt (Judy’s sister Judaroo Pony Stud). My nephew James has just completed a season playing Under 14’s District Cricket for them.

Jane made it to a couple of matches to watch her young cousin play. I am so impressed with the club.

The team struggled this year but they stuck together and had a great win on Sunday so finished the season on a high! James has gained so much from the experience and we as a family can’t thank Gosnells enough. I know through Horse Shows just how important sponsorship is so I wanted to let you know how much we all at Judaroo thank you for your support of the club.”

## Our Values

To play it fair and square on and off the field.

To earn and give respect to all others without regard to ability, disability, race, creed or position – teamwork is the thing that counts.

To always together protect the right of our teammates – all for one and one for all.

To preserve and protect all club and teammates property.

To always strive to succeed to the best of our ability – come what may you’ll find us striving.

To appreciate, preserve, nurture and continue the work of those who have gone before us.

To develop a culture of continual improvement both as individuals and as a club.

To encourage good sportsmanship by all our players, officials and spectators – we play it fair and square.

To continue our off-field hospitality in providing a positive social atmosphere – that’s the way at Gosnells.

DIRECTOR OF GROUNDS: Bruce Bussanich spent many hours liaising with City of Gosnells Sutherlands Park ground staff.

## Great day of golf and fun

Brennan Bachman, in desperate need of golf lessons.

WHAT a great day was had by all at St. Ives golf course. Heaps of laughs, a little bit of good golf and lots of really crappy golf.

With a two ball ambrose, the winners on the day were Darcy Short and Brennan Bachman (right), who put in a fantastic score for the day. Apparently one of them didn't contribute to the score that much but nevertheless did make up the numbers.

Tim Hale (far right), was without the shitiest golfer of the day, failing to make the ladies tee on several occasions.

And as you can see, Matthew Leipold (left), went all out to put his opponents off their golf with his colourful outfit.

Thanks heaps to Rachel Leipold for organising the day, it was sensational.

Darren Marjanich, a winner even though he lost.

## Snake surprise for Len

BOARD member Len Hill got a surprise recently when he arrived to do the cleaning of the Les Sands Pavilion.

A foot long tiger snake had found its way into the clubrooms.

Also Ryan James-Buckley and girlfriend Gabby were spending a peaceful time on the scoreboard during a recent vets game when another foot long tiger slithered past only to secumb to the bat of president Ross Leipold.

There has been a few occasions when snakes have graced Sutherlands Park.

A between Gosnells and Fremantle was interrupted when Fremantle's Graeme Porter came walking up from fine leg mid over to seek assistance from the batsmen. A tiger snake had slithered past him.

Former test cricketer and well known cricket coach Geoff Marsh was standing in slips at the time and couldn't understand why Ports was making all the fuss.
