## Anniversary preparations well under way

*Celebrating*  
**—25 YEARS—**  
in WACA cricket

PREPARATIONS are well under way to celebrate 25 Years of WACA Cricket. The Anniversary Dinner will be held at the Amherst Village Community Centre on the 6th April, 2013.

We are now in the process of tracking down all past players, board members, coaches and members to extend an invitation to them so that we can make the evening a memorable event. Given the massive task, we are hoping for assistance in this area so if you can provide Julie Leipold with contact details of any former members, this would be greatly appreciated. Ticket sales will be limited.

Our 25 seasons have produced mixed results with lower grade and junior premierships, state representation at both

junior and senior level, some fantastic individual and team achievements and not forgetting the multitude of volunteer hours that have been put in to maintaining and growing the club.

When the club was granted a licence to join the premier cricket competition in WA, it presented the club with a massive challenge. Just six months to put together four senior sides and two junior sides – this was not an easy task.

Nevertheless, we did achieve this and we have seen the Gosnells Cricket Club grow each season. Success at first grade level has been something that has eluded the club but it is something we continue to strive to achieve.

We hope we can draw a big crowd to our dinner to acknowledge the many fantastic people that have contributed to the Gosnells Cricket Club over its short time in the WACA competition.

## Come celebrate Australia Day

WE are having an Australia Day like no other. We are kicking things off at 3.30pm by pampering our ladies with free champagne and other great fun activities. Whilst the boys slog it out on the field, the ladies can come along and get a head start in readiness for the evenings celebrations.

Our major raffle of the day will be a bar fridge full of refreshing drinks as first prize and second prize will be a sensational Aussie Day hamper.

Everyone is welcome so come along and enjoy the great day/night that is in store. We will be cranking the Barbie up so there will be plenty of great food and drink.

Grab your friends and drag them down for what promises to be a great night.

## Brett's a winner

THE major draw of the 100s club took place at our Christmas Banquet night and was won by first grade player Brett Bayley (right) with Marie James-Buckley.

Brett took away the \$2,000 first prize and was quick to put a couple of hundred on the bar. Well done Brett.

Second prize was Paul Edwards/Ross Leipold of \$500, Warren Goes took out third of \$200 and Ryan James-Buckley was fourth prize winner of \$100. Weekly \$100 draws will continue through to the end of the season.

Thanks to all our supporters of the 100 club and well done to Marie James-Buckley who co-ordinated and managed the sale of the tickets.

## Graemme takes scoring to a new level

WHO would have thought that Graemme the 1st grade scorer would throw away the pens and start tapping on the keyboard. To say their has been a few teething problems would be a major understatement, as the scoring program has not been very kind. The glitches are getting sorted and we will soon see Graemme's fingers dancing across the keyboard.

It will allow Graemme to download the full scorecard to MyCricket for instant access to media and anyone interested in logging on.

## Naveen – a new Hawk wanting a baggy blue

NEARING the start of every season I get the odd call from potential players wanting to join Gosnells. No different this season when I took a call from a young man Naveen Subramani with a distinct Indian accent.

It is history now that Naveen is representing the Gosnells Cricket Club with pride and has somewhat turned into a cult figure.

I was really keen to hear Naveen's story from his early cricketing days in India, his journey to Australia and how he has now found himself playing at Gosnells. Here's a brief background on Naveen's journey in his very own words.

*"I started playing cricket just like any other player of my age in India, watching Sachin Tendulkar smashing the cricket ball to every corner of cricket grounds. It was all road-side cricket until I met Charles, my first coach, at the age of eleven. He did not allow me to play a single ball for the first six months of my training. Yes you are right, it was all shadow batting.*

*I made my debut for U-12 starting with a 52no. Since then my hunger for runs has grown with me. Charles was not only my*

*coach but also a good friend of mine who spoke a lot of cricket to my brain.*

*When I switched schools I did not have opportunity to play professional cricket, but still always spent my holidays playing road-side cricket. I was offered to play district cricket when a coach watched me in one such game. It was a good three year period where I scored decent amount of runs.*

*Moving to Australia, I spent first two years only studying and working. On my recent birthday, I was coming*

*back from knowledge centre and watched a bunch of lads practicing cricket. Some force drew me in and I spoke to Ross and Russell, they were kind enough to spoil my birthday dress by letting me to field straight away.*

*It feels amazing to be part of this club. The intensity and approach on and off-field is just fantastic. Even though I have not performed to my expectations, it could only get better from now.*

*My short to long term goal is to open for 1s and beat the sh\*t out of all opponents to help my team winning the trophy."*

It's great to have you on board Naveen, you are a sensational team player and club man. Hope to see you achieve your goal of one day earning a Baggy Blue. Good luck.

# Midseason review looks for improvement

by PAUL CULLINANE  
Director of WACA Senior

THE mid point of the season has all grades in a familiar position in the bottom half of the ladders. Again, our season has been rocked by the unavailability of important players at crucial stages through injury or work commitments, and the inability to field stable 11s each week has had an impact on the Club's performance year to date. An uncharacteristic weather pattern, where we

are still, mid way through January, being affected by rain has also been significant. But at the end of the day there are no excuses.

Other clubs are facing the same problems, it is how they handle them that counts. Having said that, with some good determined and committed cricket in the second half of the season, finals can be achieved by the 1s (two

wins and a draw, with narrow losses to Mt Lawley and last years premiers Wanneroo so far), and even the 3s and 4s have a chance. Unfortunately the 2s may have left themselves too much to do, but I am sure that there pride will push them to win as many games as they possibly can.

Off field, the new Coaching structure is working tirelessly to support the players in their endeavors to get the best performance they can give on game day. The availability of such an experienced group has helped our young cricketers to develop, and the more experienced players are also benefitting from having this infrastructure to bounce ideas of. Russell Le Dain is maintaining a good work ethic within the Group, and we are all looking to build on the work that has been done to date. Our leadership groups have also been tested, with Ryan James-Buckley and Trevor Garrett getting opportunities to captain in the absence of Shane and Scott.

I expect that we will finally have the roof on our practice nets by the end of January, mid February the latest. Again thanks to Darren Marjanich for his assistance on this project.

So in closing, I know the players are determined to give reaching finals a red hot go, and that they will be doing everything in their power to do so.

At some point of time this Club must stand up and accept 13th is not good enough, that we want to be part of finals, and we want to win them. We must all ask ourselves what legacy we want to leave at Gosnells Cricket Club after we finish our careers, success, or an acceptance that winning a game here and there was good enough.

## Luke's leading the way

A PHONE call from Paul Horton two weeks prior to our season enquiring whether we had signed an overseas player led to Lancashire's Luke Proctor playing for Gosnells.

Luke came highly recommended by Paul as a player that will give 100% every time he takes the field for Gosnells. Paul's assessment was smack on with Luke having an outstanding season with bat and ball.

Luke has taken 18 wickets at an average of 12.44 in the two day games and 12 wickets at 13.08 in the one dayers while padding up with 191 runs at 47.75 in the two day games and 162 runs at 54 in the one day games.

Luke is out here with his wife Samantha and son Albie. Albie is the little one running around the club (and I mean RUNNING) having a ball.

## Get in for your chop

MARIE James-Buckley has just secured a new sponsor in Ross Riddell from August St Butcher and Gourmet at 1/5 Augusta Street, Willetton and can be contacted on 9457 5550.

Ross has provided a cash sponsorship along with a deal that sees the club receive 5% off all whole lamb packs for \$144.

Contact Marie at the club or on 0413534296 to place an order.

### SATURDAY NIGHT MEALS

Special guest appearance by one of Australia's leading Chefs at the club.

## BRETT HALE

19th January and 16th February  
DON'T MISS IT!

ESPERANCE BOYS ON A MISSION: Last weekend saw the Esperance boys attend a training session at Sutherlands Park under the watchful eye of our junior coaches in preparation for the upcoming Junior Country Week. The boys were treated to turf centre wicket practice along with a hit on the bowling machine. They were then treated to some good old fashioned Gosnells hospitality with a BBQ and refreshments. Good luck to the boys and coach Gavin Harris.

• Xrays of Liam's last treatment. Liam received some great news recently that his treatment was a success.

# Living Liam's nightmare

AS a follow up to the front page story in the last edition of Cover Drive, I thought it appropriate that we get Liam's mother Claire to tell her story of Liam's nightmare.

THE first day of cricket season... It's always exciting – full of promise and possibility. This year, day one was particularly significant for our family. Liam was in his whites and back on the field.

Just two weeks earlier, he had finished radiation therapy – part of a gruelling treatment regime for the cancer that had kept him off the cricket pitch all of last season.

On November 7 last year, Liam was diagnosed with Hodgkins lymphoma – a cancer of the lymphatic system which is an integral part of the body's immune system. Around 400

Australians are diagnosed with Hodgkins lymphoma every year. It is most common in adolescents and young adults.

We had heard of this disease before – yes, it's the one Delta Goodrem had when she too was 18 (and look at her now!). What we didn't know about was the world of hospitals, doctors, tests, scans, biopsies and the dreaded chemotherapy.

We had no choice but to adapt quickly – we were all focussed on getting the best possible outcome for Liam, whatever it would take. We felt blessed by the support we had from friends and family.

Ironically, it was his cricket mates who happened to hear the news very soon after diagnosis and bombarded his Facebook page with well wishes and friendship. It was a great comfort in those early, scary hours.

Treatment started quickly. Steroids to start decreasing the mass in his chest – so big that it had pretty much completely deflated his left lung – and then chemotherapy.

In the days following chemo, we knew he was suffering. He simply wouldn't smile. That

was tough – there's not much you can do to ease that sort of discomfort. And the treatment was relentless. Every two weeks he was pumped full of toxic chemicals designed to kill the cancer cells in his body. This was delivered through a port that had been surgically implanted in his chest.

When his hair started falling out we shaved his head. It was confronting – he now looked like a cancer patient.

To say Liam has been amazing throughout this whole experience is an understatement. He has certainly surprised us with his strength and acceptance and this attitude has, in turn, helped the family through the past 11 months.

Don't get me wrong – he is still a typical teenager – his dirty clothes lie where they fall and he doesn't seem to be able to put a dish in the dishwasher (it's really not that hard Liam!) But, I have never heard him say "why me" once. He has treated cancer as a challenge and set about healing himself.

The end of chemo was cause for celebration – for us it was far more important than any 18<sup>th</sup> birthday celebration. Unfortunately our "party" was short-lived. A routine scan showed up an area of active disease in his chest cavity. We had gone into the appointment so positive – Liam had been working hard on his fitness, was eating like a horse and felt great. This was a real blow, we couldn't believe that the cancer had managed to survive the chemotherapy drugs.

Liam was devastated. And angry. But he had come so far, it was not an option to give up now. Another biopsy was scheduled – a thoracic surgeon removed the suspect cells and again, we waited for results. His specialist ordered radiation therapy as a last line of defence.

Liam will have another full body scan in a few weeks and, hopefully, this time, a clean bill of health. He remains confident and truly believes what doesn't kill you makes you stronger....

**He has certainly surprised us with his strength and acceptance and this attitude has, in turn, helped the family through the past 11 months.**

# Double tragedy in one week

WE are often reminded just how cruel life can be and how much we sometimes take it for granted. We have all faced difficult times at some stage of our lives but two tragedies in one week to very special people of the Gosnells Cricket Club really emphasised just how close knit our club really is.

Kevin and Sandra Loaring lost their 44 year old son Mark to a heart attack and Johnno Crowe lost his father in an horrific crash involving the taxi he was travelling in and a cement truck in Darwin.

Our hearts go out to Kevin, Sandra and Johnno and their family during this very difficult time. Black arm bands were worn by the club's players in honour of them.

Kevin has been a fantastic servant to the club in the coaching of our young players and over time has been instrumental in the success of some of our players.

Johnno has just arrived at the club this season from Darwin having been transferred with his job as a refrigeration mechanic. He is a very talented young cricketer and expect to see his name more often as he stamps his claim on the cricket field.

## Short Singles

**DAZZLING EFFORT:** A special mention to Darren Marijanich for his effort in securing a substantial number of new sponsors. Darren's work in securing a number of new sponsors has been sensational. Along with Matt Leipold and Jordan Armstrong who have also introduced new sponsors to the club. Well done boys, great stuff. It is great to see players working off the field to help the club have financial security.

**SPECIAL MENTION:** Life member and major sponsor David Bishop from Touchstone Farm has been a sensational supporter of the club for many many seasons. A former A grade player in our South Suburban days and has served as our Director of Cricket for WACA. Andrew and Amanda Panetta from Grays Concrete and Wayne Barber, David and Erika Luff from Luff & Barber continue their solid sponsorship backing.

## Our Values

- To play it fair and square on and off the field.
- To earn and give respect to all others without regard to ability, disability, race, creed or position – teamship is the thing that counts.
- To always together protect the right of our teammates – all for one and one for all.
- To preserve and protect all club and teammates property.
- To always strive to succeed to the best of our ability – come what may you'll find us striving.
- To appreciate, preserve, nurture and continue the work of those who have gone before us.
- To develop a culture of continual improvement both as individuals and as a club.
- To encourage good sportsmanship by all our players, officials and spectators – we play it fair and square.
- To continue our off-field hospitality in providing a positive social atmosphere – that's the way at Gosnells.

• Danielle and Jayde

• It was a great night with heaps of laughs and fun.

• Terra and Matt, always looking for an excuse to get the dresses on.

• Cody and Ryan

• Was a night well supported by players and members.

• Little Albie Proctor, loved a dance.

• **INVERARITY SHIELD:** Under 13s team coached by Dave Roberts and Gary Bownds.

## Under 13

The u13s had a good start to the year with two wins and have lost two. The boys are training hard and are always very enthusiastic with their cricket. There have been some highlights in batting and bowling. Dave, Gary, Kevin and Peter have worked hard to get the boys to where they are now. The second part of the season should see some more wins and possible finals if the boys keep working hard.

### Highlights Batting

Jessie Holmes 46 v South Perth.  
Jake Back 33 v Melville

### Bowling

Aiden Padua 4/7 v Perth  
Lumina GAJANAYAKE 3/121 v Willetton

## Under 14

The u14s have some good talent in the squad but it is yet click for them this season. I believe that they will have a better second half of the season and we will see some wins on the board for the u14's. Jim and Ryan have done a great job in getting the boys to where they are now.

### Highlights Batting

William Pethick 50 V South Perth  
Darcy Sexton 33 v Melville

### Highlights Bowling

Chad NILSON 2/11 V South Perth  
Luke GOODMAN 3/18 v Perth  
Zeke Masih 3/24 v South Perth

• **McKENZIE SHIELD:** Under 14s team coached by Jim Buckley and Ryan James-Buckley.

# The No.1 cricket station

Tune in every Saturday from 11am for the latest and score updates in WACA district cricket.

# Under 17s leading the way

**BRUCE BUSSANICH**  
Director of Juniors

The juniors have had a good solid start to the season with good performances in each of the junior teams. The hard work the squads have been doing at training has paid off on game days and all the boys have improved from the start of the season.

## Under 17

The u17s have had a great start to the season this year only losing one game so far this to Wanneroo. They have worked very hard on their games this season which started at preseason. They have a great team ethic - they play for their club, play for each other and play to win.

This group of boys have what it takes to play finals cricket with a never say die attitude which the whole club should adopt. As this season goes on I see we

have an u17's team that could play in a final if they want it.

Sean and Duncan have moulded them into good cricketers. The u17's have taken on board what Wayne Clarke said at the start of the year and made it happen. I know each of the boys would like to play grade cricket in the next few years with some already playing this season.

### Highlights Batting

Daniel Payne 97 v Clare/Neds  
Jordan Armstrong 65 v Fremantle  
David Roberts 51 v Clare/Neds

### Highlights Bowling

Harry Byrne 5/11 v Melville  
Alexander Watts 4/11 v Clare/Neds  
Daniel Payne 3/6 v Clare/Neds

## Under 15

The u15s are a very talented squad that at the start of season looked like they would have been a top six side. The u15's have been struck by injuries this season. The boys have had some of the u14's fill in to help get them playing games which has given some of the u14's good exposure to 60 over cricket next season. The u15's will win more games than they lose this season.

Ray and Scott have done a fantastic job getting the boys to where they are at the moment.

### Highlights Batting

Braydon Ridley 57 v Mt Lawley  
Jakob Horsman 44 v Mt Lawley

### Highlights Bowling

Jaxom Rose 3/14 v Mt Lawley  
Liam Rajanayagam 3/28 v Fremantle

• Directors of Junior Cricket, Bruce Bussanich addresses the players and parents.

• Under 17s team coached by Sean Bradshaw and Duncan McFarlane.

• Under 15s team coached by Ray Horsman and Scott McNamee.

# Sensational Santa

A BIG crowd was on hand to welcome Santa to the Gosnells Cricket Club.

Santa was sensational as he handed out presents to the kids and was assisted by his helpers Jade and Danielle.

Over 120 people enjoyed a Christmas Banquet like no other. Thanks to Modern Catering for supplying the food and to Marie, Sharon, Melissa, Julie and the band of helpers for making the night yet another outstanding success. Thanks also to the big fella Jim behind the bar and Steve for his assistance.

The lucky bidder of the Eagles jumper was Scott McNamee. Thanks Scott for your support.

Well done to all the players, their partners and their families for attending.
