

## Keeping the faith in plans for the future

WITHOUT a doubt this has been one of the toughest years as president. Regardless of this, I still have the desire for the Gosnells Cricket Club to become one of the strongest clubs both on and off the field.

There has been many challenges that this club has met over a long period of time and it has been a fantastic learning curve over this time, I am sure there will be many more to come.

A big thank you to the board for their continued tireless work. The amount of work carried out in the past 12 months by you all has been fantastic.

Thanks to our coaching staff from juniors right through to our senior group and thanks to our players who gave their all on the weekends.

I truly believe had it not been for injuries to key players at the top, we would have seen our 1<sup>st</sup> and 2<sup>nd</sup> grade teams play finals and possibly even our 3<sup>rd</sup>s and 4<sup>th</sup>s

which without these injuries would have seen them strengthened further. Whilst this occurred there is always a plus, it provided great opportunity to some of our promising young players to experience first grade cricket. Many thanks to the captains in Darcy Short, Baden Norwood, Luke Marshall and Brennan Bachman, fantastic job guys.

There is always a heap to do on game days. To Paul, Bobby, Susie and capped off with the usual fantastic work of Marie for evening meals. We truly are a lucky club to have so many people dedicated to provide such a great service to the players and members.

Moving on, I am looking forward to being part of this club, the multitudes of fantastic volunteers and a playing group that has an enormous amount of talent, it is time for all of to pull together and focus on the number one, THE CLUB.

It is important that we provide each other with support as we know there will be times that we all need strong support from others within the club.

I hope at this point we as a club can unite, become stronger for what we have learnt and focus on each of our roles required to achieve success. Be prepared to do whatever we need to, to become better players, better administrators and better volunteers. As a group, we can achieve our goals if we work together.

Thanks for the continued support that I have received not only this season but all the previous seasons gone by.

I look forward to seeing you all again next season.

### City of Gosnells sponsor new drinks cart

THANKS to the generosity of the City of Gosnells is providing a grant of \$2,500 to go towards the purchase of a new drinks cart.

Unfortunately during the off season vandals broke into the council compound and took the cart for a joy ride on the oval, damaging the no.2 wicket.

This was not enough so they decided to pour sand into the petrol tank which completely destroyed the cart.

Whilst we have not purchased the new cart as yet, we are looking to have one up and running in time for next season.

**SEASON WINNERS:** Hawk Medallist Brett Bayley (left) capped off a great season by adding the Mait Armstrong Award for the most 1st grade wickets while runner up in the Hawk Medal Aaron Kerverne-Onyon took out the John Marsh Memorial Trophy for the Senior Cricketer of the Year award.

# Salute to our volunteers

THERE are many facets to running a club and relying on the generosity of our volunteers giving up their time is crucial. From our kitchen and bar staff, team managers, board members, coaches, selectors, ground staff, scorers and the list goes on. Thanks heaps to everyone that contributed to the club this season and looking forward to your continuing support.

**VOLUNTEERS DAY AT THE WACA:** Each season the WACA provides each club the opportunity to send two of their hard working volunteers to watch an international game as their guests. This season Bob and Suzie Wiltshire went along and got to parade around the ground at the lunch break. Thanks heaps Bob and Suzie for all your efforts.

**VOLUNTEERS NIGHT:** During the season a group of players organised a special night where they looked after the kitchen and bar and allowed our volunteers to sit back, relax and enjoy. Thanks to Luis Reece and Derek Bland (pictured) who organised the night and to the players who jumped on board to do their bit. The BBQ went down a treat and the company was great. Much appreciated guys.

**GROUND MARKING:** Another one of our volunteers that works away in the background is Gordon Ashworth. Every Friday morning Gordon would be up at the ground marking the boundaries. Thanks heaps Gordon for your continued support.

# Frustrating season but plenty to work on

by **PAUL CULLINANE**

Director of Senior Cricket

THE game against Claremont Nedlands signalled the end of the season for Gosnells Cricket Club. In a season that promised a lot, and with huge expectations, it was a season of frustration marred by injury to key players at inopportune times. Our first grade in fact rarely looked like the Grand Final side of last year.

The First Grade finished a commendable 10th when consideration is made of the issues that confronted the Club this year. With 6 wins and two draws, a couple of bad losses where we failed to chase down very modest totals was pivotal to us missing finals.

Even in Round 14, with an outright over Fremantle and a win against Claremont Nedlands, we would have snuck into finals again. A better effort against Claremont Nedlands would have seen us finish 7th.

But the season was derailed by the loss of Matthew Leipold prior to Round 1, Luis Reece injury which prevented him from bowling from Round 9, and subsequently leaving early after Christmas and the loss of Matt Hanna for the rest of the year following an injury in our last T20 fixture.

This translated into the ones losing a trio that took in excess of 100 wickets last year, a savage blow. But with setback comes opportunity, and we again blooded some of our very talented young cricketers.

Tim Hale and new recruit Aaron Onyon wore the baggy blue from Round 1. Jordan Armstrong and Jaxom Rose also earned their baggy blue with excellent form in the twos, and Jeremy McFarlane rounded out our 5 debutants with a couple of first grade games at the end of the year.

Congratulations to the major contributors this year, Aaron Onyon with 391 runs at 39.10 and 16 wickets at 34.56 was an

outstanding pick up for this cricket club. Luke Pomersbach had a strong second half of the year and finished with 361 runs at 25.79 and one century, and the work horse Brett Bayley had his break out season with 34 wickets at 20.03.

The Second Grade were fantastic this year, and their 8th (7 wins 2 draws) spot finish would be the highest they have finished for some time.

Early in the season the ability to still win games even though the team was constantly being disrupted with selection due to injury showed how resilient the team was and the great cohesion and morale they had within the squad.

Up until the last Round, they were still a chance to make finals. But the injury toll in the ones did catch up with them and had an impact in the second half of the year. Congratulations to Jordan Armstrong on his debut in the ones and a fantastic year with the bat with 374 runs at 46.75. He was supported by Brandon Jacobs with 317 runs at 22.64. Jeremy McFarlane led the wicket takers with 27 at 14.30, and also made his first grade debut. Cameron Heron again was a wicket taker with 25 at 30.28.

The Threes finished 15th (3 wins 3 draws) and it was a year of missed opportunity. In games they played very well in they just fall short of victory, missing out on two occasions by less than a handful of runs.

They also were in very strong positions in two washed out draws that they would have expected to win. Luke McNamee shone with the bat with 264 runs at 37.71, and Derek Bland and Christian Agostino were also strong contributors both with 183 runs at 22.88.

Jacob Horsman, from only 7 games, was the standout bowler with 14 wickets at

**HAWK MEDALLIST:** Brett took out this seasons Hawks Medal, a very worthy winner. Former Medallist and coach Danny Neretlis was on hand to present the medal. **More photos page 9.**

14.57. Suhail Parker also took 14 wickets at 25.07.

The Fourth Grade have really built a very competitive nature under Brennan Bachman and their effort this year has been fantastic.

Finishing 14th was not a true reflection on their season with the side in strong positions in washed out games and being able to chase big totals and not be bowled out showed strong character even though they did not get the target.

Jacob Sands was a standout with 281 runs at 41 including 2 centuries, the skipper Brennan Bachman also with 323 runs at 26.92 and one century great support. Brian Lutter was the pick of the bowlers with 13 wickets at 32.23 and a very promising 17 year old Travis Rodin-Zimdahl with 9 wickets at 11.89.

Congratulations to all trophy winners including Cricketers of the Year and Hawk Medallist Brett Bayley.

A thank you to our Captains for this year, Darcy Short in the ones, Baden Norwood in the twos, Luke Marshall in the threes and Brennan Bachman in the fours.

Thanks also to all of the Coaches, particularly Danny Neretlis who had a very tough first year with the injuries and issues that presented. The Selectors again did a fantastic job in getting balanced teams out each week despite growing injury tolls, and the focus on development of our young cricketers saw 8 Under 17s experience Senior Cricket this year, with Blake McGann, Travis Rodin-Zimdahl and Ashal Wahid adapting very well to the task.

Work for next season has started and the challenge to get back to finals is a clear focus. A unified approach and willingness to play your part, do your role first beyond all else and work towards a Club Championship that will go a long way to this cricket club achieving its goals.

The second and fourth grades finished the season with strong wins against Claremont Nedlands.

# Olly Cooley Medal count

THE Olly Cooley Medal was won by joint winners. The medal is voted on a 3-2-1 basis by the umpires.

Midland Guildfords Stewie Walters and Rockingham Mandurah's Diamanti each polled 15 votes to take out the award for the best players in the 2015/16 WACA District Competition.

Nine Gosnells players polled votes throughout the season for their performances.

Brett Bayley and Aaron Kerverne-Onyon were the best for the Hawks each polling 8 votes each, Luis Reece 7, Matthew Leipold 5 then Tim Hale, Darcy Short, Matthew Hanna each polling 3 votes while Luke Pomersbach and Cameron Heron polled 2 votes each.

It was a great night with all clubs being represented and the nights compare was David Clear.

Well done to the Cricket Department staff in Daniel Gibbons, Alan Johannsen and Luke Douglas for the fantastic effort they have put in over the course of the season. Job well done gents.

During the season Luis Reece's parents Julie and Phil Reece visited. Not that we need any excuse to hit the casino but it was great to catch up with them prior to their flight home. Pictured (l-r); Phil Reece, Ross Leipold, Julie Leipold, Jenny Bussanich, Bruce Bussanich and Julie Reece.

## Fantastic support provided by our volunteers for each team

by **MARK ADAMS**  
Director of Junior Cricket

I WOULD like to thank my fellow board members for their support over the season. I would also like to thank our coaches for all the work they have done with the squads.

Most importantly the team managers for their hard work ensuring all is taken care of behind the scenes, leaving coaches to coach. Last of all I would like to thank the players and their parents for their effort they have contributed over the season.

I look forward to seeing as many of our juniors reach their goals to play for Gosnells first grade in the future.

Well done to our u14s who raised \$2100 at BBQ Friday's, catering for boys and parents at training and the Gosnells T20 Blast which we host each week with growing numbers each year.

### Under 17s

At the beginning of the season we looked at the u17s squad and said we could play finals with this group of young men.

There was a lot of pressure on for places in the side each game. The squad has been very tight knit all season even with the pressure for a place.

The u17s have shown a never give up attitude and winning spirit all season long. Thanks to coaches Glenn Coppin and Simon Acomb. I believe that the u17s would not have been as successful if it had not been for the tireless work the coaching group have put into the squad.

At the end of each season we have a group of u17s that graduate to senior cricket and I believe that this group of

players is one of the best advancing into seniors, with 7 of them already having experienced some senior cricket. Next year they will put a lot of pressure on the current seniors for places.

I look forward to watching next year's u17s play as all the experience they have gained over this year will put them in good stead for the challenges ahead.

### Under 15s

The u15s have played some very good cricket this season and

have been in the hunt for some wins. They have improved over the season with the ball and bat and in the field.

Thanks to coaches Sean D'Souza, Ken Dawson, Matt Smith and team manager Mike Bormolini, for working so hard with the squad to get them up to district standard. The u15s that will be moving up into u17s next season, with the improvement that they have made, they will put some pressure on the second year u17s

### Under 14s

The u14s have had a good season with more game time on turf that has seen them steadily improve with some great performances with both bat and ball. Coaches Bruce Bussanich and Mark Bailey, with help from assistant Damien and team manager Leanne Allen, have worked hard to improve the skills and turn this group into a very enthusiastic team that play a disciplined style of cricket. The move up into u15s next season will allow this squad the time to develop into a winning cricket team. I look forward to next season and seeing them challenge the opposition.

### Under 13s

The u13s have improved so much over this season from the group of boys we selected at the end of last season. I have had the pleasure of watching them on a few

occasions this year and have seen a big improvement. Coach Paul Kelly and team manager Dinesh Burah worked well to give this group the skills to go on next season and be able to win more games. The u13s are a fun bunch of boys that work hard on their game day and at training. I believe that u13s is a very important age group because there is so much development in each of the players that set the guide lines for the rest of time they play premier cricket.

The junior cricket season is done, congratulations to those cricketers who won awards at the district club presentation night and at the community clubs.

So cricket is done for this season, thank you to the coaching staff, cricket club and most importantly the parents for their efforts.
