• Jade and Cara Marijanich were part of a big band of volunteers that help make the day a raging success. More photos on pages 6 & 7.

NO such thing as doing things in half measures when it comes to the Gosnells Cricket Club.

The girls of the club rallied to make a real success of the Pink Stumps Day. With head co-ordinator Danielle Dolphin giving what was an inspirational speech to the players in the lead up, followed by an awe-inspiring interview on 6PR, the end result was fantastic. With Melissa and Mal Heron along with Peter and Lisa Marijanich providing excellent support for the day. Mal Heron kicked things off in the early hours by firing up the barbecue and making a killing on his bacon and egg burgers.

Thanks also goes to the generous sponsors and the many ladies who contributed to the afternoon tea to make it a raging success.

Well done to one and all.

Yes Cadds

Another record for Anthony Caddy

ANTHONY Caddy continues to meet every challenge that is thrown his way with the ball. Last season Anthony took 10 wickets in a match to set a new club record and has backed it up again this season by breaking another club record for the most wickets in a season.

Finishing with 42 wickets for the season at an average of 18.71 and finishing second on the season aggregates for the WACA district competition by just four wickets. His best bowling performance was against Fremantle when he took 7 for 97.

Anthony's willingness to work hard has seen him reap the rewards polling 12 votes in the Olly Cooley Medal and finishing 5th overall with his consistent line and length bowling thus being recognised by the umpires.

Well done Cadds, you're a jet and a true blue Gossy Hawk who wears his baggy blue with great pride.

The Gosnells Cricket Club wishes to thank their loyal band of sponsors for their support and hopes its members will support them where possible.

Minno's cricket passion

• The backbone of 91.3 SportFM Colin Minson making sure the message gets out there on game day.

YOU are going to be hard pressed to find someone as passionate about WA cricket as SportFM's Colin Minson.

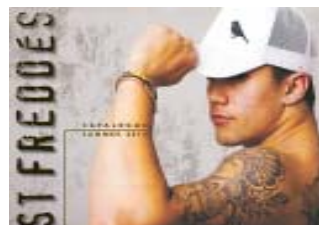

Minno paid his annual visit to Gosnells late in the season to do a live broadcast but due to the poor line quality we weren't able to secure a suitable connection.

This did not affect the the usual outstanding cricket coverage a great deal because Minno continued reporting to the thousands of avid listeners via phone.

The club made sure they extended their usual first class hospitality sitting him down to a lunch with our 1st grade followed up by Minno being caught out with not one vanilla slice in hand at afternoon tea but two.

Anyway Minno, thanks for your efforts and the rest of the team at 91.3 SportFM because we at Gosnells appreciate the work you do in promoting WA district cricket and hope you continue for many seasons to come.

Don't forget that the No. 1 sporting station is 91.3 SportFM for all your up to date news in sport locally and from around the world, tune in to 91.3 SportFM, they are the leaders.

Contact Luke Pomersbach and get yourself a pair of St. Freddes shorts and one of their Trucket Hats.

Time to produce the results

by PAUL CULLINANE

Director of WACA Senior

AT seasons end it is important to summarise the year that has gone and make mention of some of the highlights throughout the season.

I am trying not to steal too much of Rusty's thunder, but I am sure, like me, Russell is very proud and encouraged by the start of what we hope will finally be some sustained success for the Gosnells Cricket Club.

A further 12 months experience has gone into our young and exciting group, and the efforts of our Colts side should have both members and players eager for Season 2011/12 to come around.

So much has happened for us to be positive about. In the 1st Grade we have almost matched the wins from last year with 2 games to go, and have genuinely been in strong positions where we could have one in all but 2 games this year. The T20 comp saw us win 2 games as opposed to Nil last year.

The experience to go on and win games will come, and with every effort made to keep this group together, I see little doubting that we can improve again next year to at least be knocking at the door of finals. Further development of our young group, and the addition of 1 or 2 experienced players, and our progression to finals Cricket in 3-4 years as right on track.

Near miss

The 2nd Grade missed by a whisker in participating in the finals with only 1.25 points the difference. It begs the question as to the merit in finishing games early, as the margin in which they missed out was a matter of 125 runs or 4 wickets. This is something the club needs to seriously consider as the true impact of these early finishes sometimes aren't realised until the seasons end.

Regardless of this, Shane and his boys have done a terrific job, and this team has excelled on last year's performance. A good core group of experienced and young players sees this team well placed to move into a secure finals position next year.

The Third Grade have had a rough year. Finalists last year, they have lost not only their captain, but 4-5 players with well over 100 games experience. It has been hard to replace, but they have fought hard and given their all.

Encouraging has been the fact that we have used the thirds to blood young cricketers, and they have performed well.

The Fourth Grade again has suffered from a lack of experienced cricketers, but again with two 15 year olds and a couple of 16-17 year olds, they put in some creditable performance but the overall way we structure this team next season will need to be much different.

I must thank the Board for their assistance to the Cricket Department, Russell and his Assistants Peter, Colin and Steve, and all of the players for a year of hard work, patience and a absolute desire to improve and be better. Perseverance will see

rewards come.

It is now time to start planning for stage two of our plan to be playing finals cricket in as many grades as we can will begin. It is paramount that we hold this group of cricketers together, and I believe that those who commit to the planning of Russell and the Board will enjoy success.

To build year on year needs stability and everyone pulling for the one cause, and that is to win Premierships. My belief is that is not far away.

There is still work to do, but everyone in this Club is certainly willing to do that from where I sit. Those who choose to leave or not continue will miss a great opportunity to share in our success.

• Roleystone product Michael Chimelewski made his A Grade debut for the club.

Hard work recipe for success

by RUSSELL LEDAIN
Club Coach

I HAVE been playing cricket for a long time yet the end of the season always comes as a bit of a surprise. I always feel that it comes around too quickly and that we should still be playing. That our season feels too short.

I remember as a player checking the fixture books just to be sure that the season really was over and that I was not missing just one more round. And although we started way back in July, this season feels like it has raced past like no other. It really does feel like just last week we were getting started.

I think that part of the reason it has gone by so quickly is that, for me, this season presented a very different focus. Saturdays have been spent concerned for other people's preparations and performances rather than sweating over my own. I found myself willing the wickets to fall and the runs to come for us more than ever before.

Don't get me wrong, I wanted that before. I have always enjoyed the success of my team mates. Because I always knew that if they were successful then the team and the club would also have success. But I was surprised by how much I wanted everyone to succeed. And the sheer joy of watching these guys

get rewards for their huge efforts over the season has been easily as rewarding as playing.

Seeing players perform at their best is why we are all here. As a coach you strive to see your players out perform their own expectations. To achieve the best they can. You want your players to reap the rewards for the hard work, the long hours of training, and the dedication that they have shown.

Uncompromising

I believe that this uncompromising work ethic has been our greatest achievement this season. Our willingness to work at our game and the open display of our desire to be the best was obvious at every training session. And as this season has progressed, I believe that we have started seeing the returns for those efforts.

With our fielding, wicket taking, and on the scoreboard. Not just from one or two players. Not just from any particular team. But throughout the season we have seen a number of different players perform at their best. Achieve their personal bests. And in doing so help their team mates, their team, and their club to perform better. It is something that every player at the club should be proud of.

But this is only the start. With this improvement comes a

greater expectation and a realisation that we can be better still. A realisation that we can achieve the success that we all desire! That the hard work that we have done this season is just the beginning, the foundation, of what is to come. We have to continue to work hard to maintain the high standards that we have already set this season. And we have to work harder to improve the areas that have let us down.

We need to find that extra fifty runs. Claim those extra couple of wickets. Win those close games. They are the games that will make a difference to our season. They are the games that will push us up the ladder and toward finals. We must continue to strive to be the best we can!

And as a coach you cannot ask for more from a group of players. It is an honour to coach such an enthusiastic, hard working group. A group who want to give their all for their club! Who never shy away from the hard work! Who always strive to be better and to succeed! And it is this group of extra ordinary people, players of the Gosnells Cricket Club, who will carry our club forward and upward.

They will get the results and the recognition that they are working so hard to achieve. And in doing so they will make their season last that little bit longer as they carry the Gosnells Cricket Club deep into the finals.

Focussing on coaching clinics

THE Gosnells Cricket Club is embarking on extensive coaching clinic within our district and will continue to enhance our strong relationship with the Great Boulder Cricket Club, Goldfields and the Esperance region.

The two country zones that we have struck up an excellent working partnership is about to become even stronger whilst the time has come to provide our local kids and coaches some expert coaching.

The club will seek the expert support and advice from the WACA's high performance coaching staff including Lindsay Flinn and Graham House.

Having seen Great Boulder's Damian Sweet represent the club at both 17s and senior level as a result from Luke Pomersbach's and Ross Leipold's coaching visit to Kalgoorlie and the recruitment of talented Esperance duo Baden Norwood and Clancy Wheeler, the club will be conducting clinics in both Kalgoorlie and Esperance leading into the 2011/12 season.

Both Clancy and Baden will be a part of the Gosnells Cricket Club's coaching team that will head bush and in conjunction with Esperance cricket guru Shane Tobin, this is sure to be a real positive for both Gosnells and the Esperance Cricket Association.

Also during the school holidays the Gosnells Cricket Club will be conducting a coaching clinic at Sutherlands Park for our local juniors as well as incorporating sessions for junior coaches.

With much talent in the Gosnells zone, upskilling our community coaches so they are able to provide the best possible practice methods to give the youngsters every opportunity to be the best they can possibly be will be one of the main areas of our focus.

50 years of service

• WACA Game Development Manager David Clear and Cricket Australia representative Brendan Cullinane with Ken Leipold at the presentation.

KEN Leipold was recently recognised by Cricket Australia for his 62 years of outstanding service to cricket.

Over this period he has been involved at the Mundijong Cricket Club, Serpentine Cricket Club, Gosnells Junior Cricket Club and the Gosnells Cricket Club.

While at the Mundijong Cricket Club he played for three seasons 1948-1950 served on SSCA committee. Due to the war he had a break from 1950-1957 when he resumed service at the Serpentine Cricket Club where he played and served on the committee for six seasons.

In 1968 he commenced his long time commitment to the Gosnells club. Serving on the committee for the Gosnells Junior Cricket Club up to 1975 when he started his volunteer work with the Gosnells Cricket Club. He served on the South Suburban Cricket Association Committee and is still volunteering his services to the Gosnells Cricket Club of which he is a Life Member.

Congratulations Ken on an amazing achievement to the game of cricket.

Time to raise the bar

by ROSS LEIPOLD
PRESIDENT

I COULD dribble on about how our future is bright with the promising crop of young players progressing through the grades but then it would be words I have spoken before.

Don't get me wrong, I still think there is enough talent in the playing group to challenge for a finals spot in the near future. The future success is highly dependent on the work ethic of the playing group and how desperate they want success. Only the players themselves will determine our success in future seasons.

Our director of cricket Paul Cullinane has done a power of work and along with coach Russell Ledain have done everything in their power to provide the necessary structures for the players. The assistance from Colin Leipold and Peter Marijanich was a real bonus.

The performance of our lower grades in particular was simply not good enough and plenty of thought needs to be placed in this area moving forward. Very good from our second grade under the guidance of first year skipper Shane Terrace to only just miss out on a finals appearance but at the end of the day we can't be satisfied with just missing out.

The inconsistency of the first grade was frustrating at times but that's what comes with inexperience. Once again we can turn things around very quickly with an added desire for success and what we are prepared to do to achieve that success.

A special mention to a guy who I have a huge amount of admiration for in Anthony Caddy. I talk about what players are prepared to do to achieve success then the answer is simple. Go rip some pages out of the Anthony Caddy training manual and guess what, success will be just around the corner. Well done Cadds, another club record under your belt.

We have a strong off field structure in place and I challenge anyone to say the hospitality we provide our visitors and guest is not the best in the WACA competition. This is something we all need to be proud of and appreciate.

We are very fortunate of having numerous tireless workers in the club and besides the enormous amount of work our board does, individuals like Mark Bailey on the grounds ably supported by Mal Heron on match days, Lil in the kitchen – what a gun, the ever energetic Marie James-Buckley behind the bar on Saturdays with Mark Sherwell chipping in from time to time along with Ken Leipold and Peter Deboer.

Our Saturday night meals were of there usual high standard and the duties were shared during the season with Kerry along with hubby and kids belted out some beauties and Lisa returned to her beloved kitchen on some special nights to continue her great tradition of great food. The kitchen roster continued to share the workload throughout the club with most teams doing their bit.

Thanks to all the coaches for their fantastic commitment and the team managers and parents of our junior teams. It is great to see you getting involved in helping to make your club the best.

Michelle Bailey has done a power of work with the juniors and given it is her first year in the role she has been brilliant. Another jet has been our dynamo secretary Melissa Heron – we are very lucky.

In closing, thanks to our Chairman Gil McDonald for his guidance and to all the fantastic band of volunteers we are a blessed with. We need to all take into account that we had a lot of people taking on roles for the first time. Whether it be as a captain, a coach, a board member, a volunteer around the club – all have performed superbly. Take care and see you all next season.

FROM THE ARCHIVES

Gosnells too strong in 77/78

THE 1977/78 South Suburban Grand Final between old rivals Gosnells and Armadale proved to be a remarkable encounter.

In what was scheduled to be a four day encounter the result was in doubt to the last day, yet both teams only batted once. In other ways the game was also a classic encounter between two strong, well balanced teams.

The Gosnells team was coached and led by David Bull who had just finished a distinguished WACA career with South Perth. His counterpart at Armadale was John Rayner also an ex-A Grade player with the Fremantle WACA club.

Both were outstanding batsmen, knowledgeable coaches and astute leaders on the field. Despite the evenness of the teams there was little in the semi-final to warn Gosnells of the tough struggle which was to ensue.

In the semi-final Gosnells dismissed Roleystone for 115 with Kim Bennett taking 6 for 35 and Jimmy Milstead 3 for 40. Gosnells wiped off this arrears with the loss of only 3 wickets with their young opener Ross Leipold contributing 61 not out.

The Grand final played at Thornlie proved to be a very different affair. Batting first the strong Armadale line-up batted well into the second day in making the formidable first innings total of 323. This was mainly due to a fine 112 by Peter Smith and useful contributions of 58 by P Greaves and 45 by John Rayner. Their effort left Gosnells a daunting task.

To chase 323 in a final in itself was certainly daunting to do so with the knowledge that if they failed there would be no second chance to dismiss Armadale a second time made it even tougher.

Chairman of the Board, Gil McDonald has discovered a unique piece of the Gosnells Cricket Club's long history in a book which holds the minutes of the club's meetings dating back to the 1930s. He will scrummage his way through the minutes book to bring you a glimpse of what it used to be like more than 80 years ago.

This edition he covers the Club's last 1st Grade South Suburban Cricket Association Premiership way back in 1977/78. Some of the names would have been very handy acquisitions to our WACA ranks today.

This, however, was no ordinary side. Their batting line-up was strong and the team had peaked at the right time of the season.

A 103 opening partnership between Ross Leipold and Gary Munrowd got Gosnells off to just the start that they needed in their daunting chase.

After Munrowd had been run out for 49 Leipold continued on to make 62 before he was out with score on 133. At 2 for 133 there was a glimmer of hope for Armadale.

However, the next partnership of 170 between David Bull (108) and Keith Reid (73 not out) decided the game. A Grade pennant

The 1977-78 final victory was the last A Grade final to be won by Gosnells in the South Suburban Cricket Association. Despite emerging as one of the strong clubs of the 1980s and competing in a number of A Grade Finals success was to elude the club in its search for another A Grade pennant.

The last of these attempts was in the clubs first year in WACA when our A Grade South Suburban side was narrowly beaten by Thornlie at Mills Park. By then both Captain Coaches from the 1977-78 Grand Final were taking prominent roles in guiding Gosnells in its WACA venture.

Youth finals but no chocolates

THE youth of the club put in some fantastic performances this season to reach semi final of the Colts and Quarter Finals of the Under 18s Twenty/20.

In the colts semi final our boys batted the worst of all the games making a paltry 110. To their credit they bowled and fielded superbly to nearly pull off a remarkable victory.

The spin of Matt Wall three for 15 and Alistair Turner two for nine had Midland

Guildford panicking after they got off to a good start and looked to be cruising to an easy win. They ended up passing our total in the last over of the game eight wickets down.

In the 18s Twenty/20 quarter final Matthew Leipold made a superb hard hitting 89 with our boys setting Bayswater Morley a formidable total of 158. Unfortunately the Baysy boys passed our total only losing one wicket.

ROUND 12: Gosnells 202 (A Turner 68 A Bivens 33) drew Mount Lawley 7/161 (B Dalton 3/32 BP Bayley 2/35 BR Marklew 2/43)
ROUND 13: Wanneroo 144 (BR Marklew 4/59 B Dalton 3/29) def by Gosnells 199 (S Terace 45 MR Irwin 37 R James-Buckley 37) & 9/159 (M Goes 36 MR Irwin 29)
ROUND 14: Gosnells 9/203(dec) (A Turner 59 R James-Buckley 39 S Terace 33) def Midland-Guildford 178 (BR Marklew 2/44 B Dalton 2/55) & 205 (B Dalton 7/89 S Terace 2/35)
ROUND 15: Claremont-Nedlands 86 (BR Marklew 7/28) def by Gosnells 8/279(cc) (A Turner 106 B Norwood 90 MR Irwin 25)

Coaches review the season gone

Under 17s

AFTER a slow start, where we had a draw and 4 losses from the first 5 rounds, the group worked very hard on the facets of the game that we identified from each loss that we felt we could improve on.

Repetitive enforcement of what the group believed needed attention slowly improved our performances, and we were able to put together "come to work" totals, that allowed our bowlers to win games. As we all learnt the art of cricket and "game plans", it was apparent that this was a very talented group who with hard work and application, felt they could be successful.

In the last 8 rounds the side was able to win 5 games, tie 1 and was narrowly (3 runs) beaten in another. A reversal in the tie result would almost have seen us play finals, if we got up in the game we lost by 3 points, we definitely would have played finals.

We beat 3 sides through the year when they were sitting either top or second on the ladder, and by the end of the year, I am certain our opponents prepared for a very tough encounter against Gosnells, and this group gained a lot of respect.

As is the nature of 17s cricket we played long periods without our best cricketers, and at times, had available 2 to 3 of our best bowlers in the side, but due to restrictions, were unable to use them. This was fantastic, as it allowed others in the squad to step up and show our supporters that they certainly had the ability to cover.

We also rewarded Simon Acomb late in the year for his fantastic efforts during the season and his work ethic at training with permanency in the Seniors, and that opened up over's for others on the list.

When we talk batting this year we talk Lemmer. Jake has had an outstanding year with 427 runs at 38.82.

This is only his 17s number, as who could forget the Wanneroo fixture where he made 108 not out in the morning, then 55 not out in the 3s in the afternoon. Jake's consistency played a big part in the team's ability to mount defendable totals, and with Guru Singh (223 runs at 20.27) and Fraser Burt (221 runs at 24.56) assisting him, we started

playing very good cricket. Andries Mercer (184 runs @ 16.73) was best of the rest. We also had boys go into the Seniors and post half centuries in Ben Horsman, Andries Mercer, Guru Singh and Jake Lemmer.

Our bowling was under pressure early in the year as we struggled to put appropriate totals on the board for them to bowl at. But as the batters got their act together, then our

bowlers came to the fore. And in fact, some of our games were made very easy by the bowlers, who performed magnificently to restrict the opposition to small totals.

Ben Horsman led the way. "Richie" had a great year with his "offies" and his 18 wickets at 14.5 was great reward for his hard work. The reliable Cam Heron, even with long absences from the 17s bowling crease, still amassed 16 wickets at 20.38, and he was assisted by Guru (11 @ 22.45), Dylan Biggs (10 @ 23), Jake Lemmer (9 @ 14.56), Simon Acomb (9 @ 20.78) and Jason Sibum (9 @ 27.56).

Our fielding was up and down, and as usual, we had some costly drops. Over all though I believe the level of our fielding was well up on last year.

Outstanding was Ashley Henderson, and he set a standard that many senior cricketers could aspire to. Jet Shaw had another very good year behind the stumps, and looks more and more like a future 1st Grade keeper.

A word on our captains, Fraser Burt and Cameron Heron. Both achieved excellent results, and showed great skill in the way they handled their opportunity. Fraser on paper had the better results, but Cameron captained when the squad was still coming together and sorting through its game plan. A big thank you to both boys, and good luck next year as you enter Senior ranks. Good luck also to Simon Acomb, Gurinder Singh, Travis Culshaw, Ashley Henderson, Liam Collis, Alistair Bivens, Damian Sweet and Tom Newman.

I said after the last game that I was very proud of each and every one of this squad for their persistence, hard work, enthusiasm and desire to want to be better. They are definitely the future of this club and will provide some very exciting times in the future.

Paul Cullinane, coach

• Alistair Bivens was part of WA's successful under 17s team that won the Australian National championships.

Under 15s

Under 15s coach Mark Bailey and joint winner of the Nella Marsh Club Achievement Award. Mark also worked tirelessly as our Director of Grounds, (even though he didn't know it)

THE 15s finished the season in 12th position with five wins and eight losses.

The were the leaders in the least amount of wickets lost with only losing 90 wickets for the season and were 10th overall in runs scored with a total of 2205. On the flip side they took 96 wickets with a total of 2394 runs scored against at an average of 24.93.

Adam Coslani was the stand out player winning the 15s Cricketer of the Year finishing 9th overall in the WACA aggregates scoring 444 runs at 37. Christian Agostino was 33rd on the bowling taking 16 wickets at 19.

U/14 McKenzie Shield

IT is hard to believe the season has already come to an end!

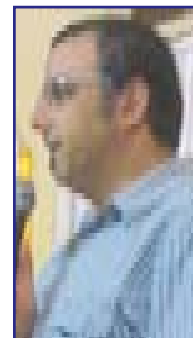

Although our position on the ladder didn't flatter us the team played with great heart and constant improvement. With 5 new 1st year players being added to the squad we knew we would be up for a fight.

We then played Claremont/Nedlands away and showed some great skills but after having them 6 for 45 chasing 105, dropped catches proved costly. Second game was the Perth rematch and after being on top for most of the game we let them get back into the match. Tim Hale anchored the innings with a well made 46 but unfortunately this was not enough to secure victory.

We then played a rain shortened encounter against South Perth and the boys played some great cricket. Our batting was very good with Dave Roberts scoring a 50 in quick time. Our bowling however was to erratic and the batsmen took full toll of it reaching the target with a matter of balls to spare.

We rounded of the first half of the season with a well executed win over last seasons overall winners Willetton. Always a tough encounter the boys played to the team plan perfectly. With great bowling efforts from Harry Byrne and Chris Agostino who kept there batsmen very quiet the boys kept them to a modest 119. Jimmy Shoesmith chimed in with some very good last 5 over bowling taking 2 wickets. Our batsmen then went about the task of chasing down the total with great a great work ethic. Jeremy McFarlane and Dave Roberts finishing of the game in style. The boys went into the break full of confidence and on a roll.

First game back after Xmas against

Melville saw us once again put in a fine effort with the ball. Chris Agostino had a great spell taking 4 for 15 with fine backup from Alex Rose with 2 wickets and tight miserly bowling from Harry Byrne and Jimmy Shoesmith. A great captains knock by Jeremy McFarlane was not enough for us to reach the target.

An undisciplined effort in the field cost us runs against Rockingham/Mandurah. Chasing an imposing 141, the boys went out and attacked the total with great conviction eventually falling 4 runs short. Great batting efforts from Ethan Satti, Jeremy McFarlane, Dave Roberts and a late flurry from Harry Byrne and Alex Rose was not quite enough to register a win.

Our last game was a against an always strong Fremantle. A total of only 109 was going to be tough to defend but the boys showed real heart and Gosnells spirit. Batting was tough with Jeremy McFarlane and Dave Roberts batting well. The boys knew they would have to work hard in the field and they did. With Fremantle 2 for 0 and then 4 for 26 our work rate dropped and we let them regroup. Dropped catches and fielding errors were costly with Alex Watts and Chris Agostino taking 3 and 2 wickets respectively.

Overall a great development season for our boys with all of the guys improving as the year went on. The future looks good for the club with some outstanding efforts from individual players through out the season. We struggled to put the overall package together but with a bit more game time under there belt I am sure they will become a fine team of players for the Gosnells club. The boys were a pleasure to coach and I look forward to future years with this group.

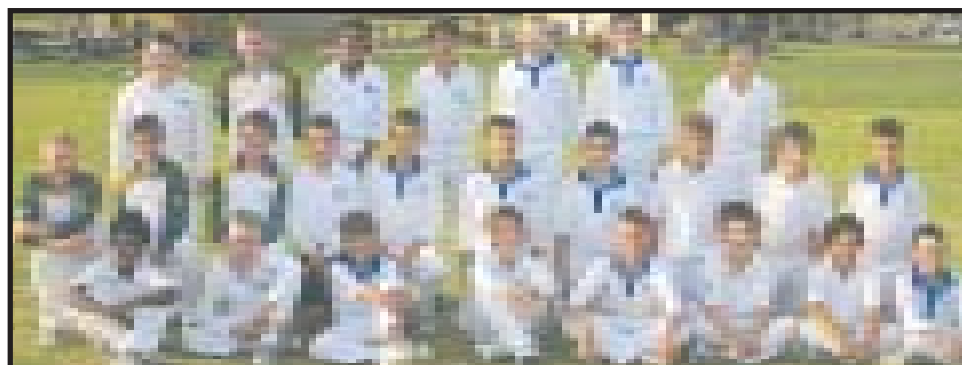

Brett Hale and Duncan Mcfarlane

U/13 Inverarity Shield

THE boys kicked the season off with a home game against Perth which went down to the wire. The baby Hawks batted first and scored 85 of 37 overs, which didn't seem enough at change of innings. However a tight performance in the field under considerable pressure saw Perth held to 6/80 of their 40 overs. Great bowling by Matt Gudgeon (3/15) while Brad Ward earlier chipped in with 24 off the bat.

Wins were hard to come by for the next 3 rounds against Claremont Nedlands, (6/132), Gosnells 9/93 (Stephan Lemmer 3/11, Darius D'Silva 22), South Perth (8/188), Gosnells 9/105 (Jaxom Rose 2/37 and 26 with the bat) and Willetton (6/176), Gosnells 8/117 (Brad Ward 23 no, and 2/31 with the ball)

Despite the absence of wins, we saw a continual improvement in the batting performance with total scores rising with consecutive games, as the boys came to grips with batting on turf. During this same time they continued to work hard on improving

• Some of our under 12 development players looking towards the Inverarity Shield squad for 2011/12.

• Trevor and Josh Garrett are excited about carrying on the family name.

Garrett family tradition continued

WHEN young Josh Garrett stepped out for the Gosnells 15s he became a part of the strong links that the Garrett name has with the Gosnells Cricket Club.

His late great grandfather Percy played a major role in the shaping of the Gosnells Cricket Club. Percy was one of the first Life Members of the club and was a man who contributed an enormous amount to the many sports of the Gosnells district.

Percy held life memberships of numerous

sporting organisations as a testament to his outstanding dedication to the sporting community.

Father Trevor has carved a handy sporting record as well. He is a former AFL and WAFL football umpire with an outstanding record.

Umpiring in 277 WAFL games and 50 AFL games he too is a life member of the WA Football Umpires Association. He has also umpired in a number of WAFL grand finals and secured a reserves AFL grand final.

their line and length with the ball, which had been far too short at times.

Round 5 against Melville saw the hard work begin to pay off, as the boys batted first and held Melville to 6/79 off their 40 overs (Stephan Lemmer 2/8). We could sniff a win in the wind! Things got really tight as the Hawks struggled with the bat against a determined Melville attack, just barely keeping in touch with the required rate, until Jaxom Rose arrived at the crease and hit 40 no to safely take us past the required runs, finishing at 4/108.

The last 2 rounds were well fought out against Rockingham Mandurah and Fremantle, who hadn't lost a game all season. The Hawks batted first against Rockingham Mandurah, compiling 6/138, including an impressive 54 no from Jaxom Rose. The boys then fought hard in the field but were just unable to hold off Rockingham Mandurah who finished at 4/153, despite a fighting 1/6 from Brad Ward.

On to Stevens Reserve for our last appearance and a good performance with the

ball, holding Fremantle to 6/147 (Matt Gudgeon 2/21 and Jake Horsman 2/23). The boys then managed 9/107 (Darius D'Silva 24), a result which was closer than the scoreboard indicated.

The season overall was a great learning experience for the 13's, with 75% of them playing on turf for the first time. Many of them had the usual hard wicket tendencies to play back and bowl too short, and this was the main challenge for many of them in improving their game. It was very pleasing to see that by the end of the season many of them had taken on the challenge and showed considerable improvement in techniques for both batting and bowling. Our regular captains during the year (Darius D'Silva and Brad Ward) also responded well to some intensive work on game tactics and field placements, which saw a considerable improvement by season close. It was particularly pleasing to see these boys making their own decisions during games with no coaching input, which couldn't always be said of our opposition.

Overall it was extremely rewarding to be involved with this group during 2010-11 and we hope they have all enjoyed their cricket and will be a part of the Gosnells Hawks in years to come.

Finally, a special thanks to Debbie Ward, our brilliant Team Manager, who ensured our season ran smoothly through tireless hours organizing and managing rosters and team functions – Thanks Deb!

See you all next season,
Coaches
Gideon Lemmer and
Ray Horsman

• Esperence product Michael Renton with mum Samantha Parkyn after his debut for the under 17s.

• Michael singing the club song after a great win against Claremont Nedlands.

• **KITCHEN DUTY:** You will always find the real men in the kitchen.

Our Mission, Our Vision, Our Values

MISSION: To unite our members in enriching the lives of all within the community through participation and fellowship in cricket.
VISION: To have built and maintained a strong successful club and have influenced the lives of young men and women through their involvement and participation at Gosnells Cricket Club.

VALUES: To play it fair and square on and off the field.

To earn and give respect to all others without regard to ability, disability, race, creed or position – teamship is the thing that counts.

To always together protect the right of our teammates – all for one and one for all.

To preserve and protect all club and teammates property.

To always strive to succeed to the best of our ability – come what may you'll find us striving.

To appreciate, preserve, nurture and continue the work of those who have gone before us.

To develop a culture of continual improvement both as individuals and as a club.

To encourage good sportsmanship by all our players, officials and spectators – we play it fair and square.

To continue our off-field hospitality in providing a positive social atmosphere – that's the way at Gosnells.

Gold Style Homes

*Your Local MBA Award Winning Builders
